WELA MAE B. LIM

ASPIRING WEB DEVELOPER | BS COMPUTER SCIENCE

PROFESSIONAL SUMMARY

Fourth-year Bachelor of Science in Computer Science student with hands-on academic project experience in web and application development. Familiar with building CRUD applications, web-based ordering systems, and full-stack JavaScript applications. Eager to strengthen technical skills, learn new tools, and contribute to practical software development projects.

TECHNICAL SKILLS

Programming & Web: JavaScript, PHP, Python, HTML, CSS
Frameworks & Platforms: Django, Flutter
Languages & Tools: Dart, SQLite
Professional Skills: Research and manuscript writing, leadership, coordination, fast learning, team collaboration

PROJECTS

PrintDayon — Full-Stack Web Application
JavaScript — Lead Researcher. Contributed research for a platform that helps users find printing shops based on estimated completion time.

Intoy's Chili Garlic Kitchen — Web-Based Ordering System
Python, Django — Academic project focused on developing an online ordering system for a local food business.

Loan Tracker — Mobile Application
Flutter, Dart — Developed an academic loan-tracking application using Flutter and Dart.

Room Management — CRUD Application
PHP — Built a basic room-management application implementing create, read, update, and delete operations.

EDUCATION

Bachelor of Science in Computer Science — Biliran Province State University
2023 – Present

Senior High School — Holy Cross College of Carigara
School Year 2021 – 2023

Junior High School — Jugaban National High School
School Year 2016 – 2021

Elementary — Pangna Elementary School
School Year 2010 – 2016

SEMINARS & TRAININGS

- Networking Basics — Cisco Networking Academy (2026)
- Introduction to AI Literacy and Responsible Use (2026)
- Symposium on Intellectual Property (IP) Awareness (2026)
- Thesis Preparation with the Use of Trending Tools and Industry Practices (2025)
- Mastering English Foundation, Upholding Academic Integrity, and Advancing Gender Fair-Writing (2025)
